Sub sale fundraiser packets went out on Tuesday. Last year there were 1924 subs and pretzel sandwiches sold. He hopes for the number to be higher this season. Orders are due on October 5, 2018. A dollar from each sub goes into individual student accounts.

**President's Report:**

Becke shared expenditure costs have slightly gone up due to having some added expenses that were not previously covered. An added expense was getting drum line jackets as there were not enough uniforms for the growing band. Currently the sleeves are undergoing adjustments.

The sun and moon visuals are currently being built.

The spirit team has met and has been filling treat bags for students for competition days.

There were questions regarding the status of the color guard uniforms. Becke could not give an update on their arrival at the present time. She said that the company that the uniforms were ordered from were not communicative on expectations and the process was slowed. This is what led to the delay of the guard not receiving them earlier.

The band banquet is scheduled for November 17, 2018 at the Community Bible Church in Marietta.

Becke noted program advertising sales are lower this season.

**New Business:**

A request for a photographer for senior night was made as the usual band photographer would not be able to attend.

A discussion was had about the potential parent led fundraisers. A suggestion for a spaghetti dinner where students provided entertainment was suggested. Another suggestion was for student performances. A golf outing was discussed. The conversation was tabled in order to gather more information and ideas regarding parent led fundraisers.

Respectfully,

Charito Faulkner  
MCBB Secretary
