**Manheim Central Band Boosters  
General Committee Meeting  
January 30, 2020 at 6:45 PM  
At Manheim Central High School**

Mr. Brackbill shared that the high school construction will be starting in the music wing. Mr. Brackbill is unsure of where the location for concert band will be. He hopes plans will be finalized hopefully in a couple of weeks at the next building meeting.

He reported that the marching band show has been picked for next season. He believes that the music is more relatable than in previous years. The show reveal will be on April 2<sup>nd</sup> at 6:30 PM.

**Old Business:**

Bob Stauffer shared that there was about a 10,000 profit made from this past fall's invitational.

There was discussion of whether or not the Boosters could do another Bingo fundraiser. The executive committee shared that at this time they did not see a need. Becke also reminded the general committee that the district allowed for this fundraiser due to the invitational being rained out last year. The bingo event was an exception due to the circumstances.

These executive committee members will begin their duties on March 1, 2020. Executive committee members serve two year terms from that date.

Becke moved to adjourn. Charito seconded. Meeting adjourned at 7:45 PM.
